

Microsoft Viva Insights Workshop

In today's world, employees want **more flexible remote work options**, and **meaningful in-person collaboration**. Empowering people to thrive in a more flexible work world requires rethinking everything—from how you empower managers, to how you create culture, to how you reimagine the employee experience.

And that's where **Microsoft Viva** comes in. As your employees are challenged with a growing imbalance between work and life, increased burnout, and decreased wellbeing, and your teams and organisation face diminishing social capital, there is an urgent need to **digitally reimagine the employee experience**.

Discover how Microsoft Viva, an integrated platform built on top of Microsoft Teams, will help your people to be their best, to **thrive in the new reality**.

Discover Microsoft Viva Insights that help individuals, managers, and leaders gain personalised insights and actionable recommendations that help everyone in the organisation thrive.

The workshop provides an in-depth exploration of Personal, Manager, and Leader insights with privacy controls and data analysis capabilities to:

- Understand the impact of work patterns on productivity and wellbeing
- Provide privacy-protected insights and actionable recommendations
- Address complex challenges with advanced tools and capabilities

Workshop framework

Insight will design the workshop based on information and recommendations that are discussed in the initial engagement setup.
